PROCLAMATION NO. 156

DESIGNATING THE PERIOD FROM JULY 1 TO AUGUST 14, 1955, AS THE PERIOD FOR THE NATIONAL
FUND CAMPAIGN OF THE BOY SCOUTS OF THE PHILIPPINES IN PLACES OUTSIDE OF GREATER
MANILA

WHEREAS, the Boy Scouts of the Philippines, a public corporation created under Commonwealth Act No. III for the purpose of promoting the character development and citizenship training of the youth of the land, has more than amply demonstrated that it merits the continued moral encouragement and material support of our people and that there is a great need for this organization to make the Scouting Program available to the thousands of boys all over the Philippines;

WHEREAS, said organization is in need of funds to carry on its operations effectively, to intensify its nationwide training and recruiting program so that the great number of boys of Scout age seeking admission into the organization may be enrolled, to plan and promote other programs of activity for the greater benefit of its members, and to meet its obligations as a member of the Boy Scouts International Bureau; and

WHEREAS, the annual campaign, aside from offering us an opportunity to give tangible expression of our appreciation for the good work being done by the Boy Scouts of the Philippines, also affords a means by which we can meet a civic obligation by helping this organization train and mould every boy in the land to be a patriotic, God-fearing, upright, clean and responsible citizen;

NOW, THEREFORE, I, Ramon Magsaysay, President of the Philippines, do hereby designate and set aside the period from July 1 to August 14, 1955, for the Boy Scouts of the Philippines to conduct its 1955 Fund Campaign in the provinces and territories outside of Greater Manila and raise funds for the attainment of its avowed aims and purposes. I call upon all government officials and employees and all citizens and residents of the Philippines outside of Greater Manila to assist in this campaign to give it their entire support so that the Boy Scouts of the Philippines may be assured of funds that will enable it to carry on its work and administer its program to as many of our boys of Scout age as possible. I also authorize all national authorities and teachers to accept, for the Boy Scouts of the Philippines, fund-raising responsibilities and urge them to give active support and leadership in their respective communities.

WHEREAS, the Senate of the Congress of the Philippines, by its Resolution No. 9 adopted on February 28, 1950, concurred in the ratification by the President of the Philippines of the aforesaid Convention in accordance with the Constitution of the Philippines, subject to the following reservations:

“1. With reference to Article IV of the Convention, the Philippine Government cannot sanction any situation which would subject its Head of State, who is not a ruler, to conditions less favorable than those accorded other Heads of State, whether constitutionally responsible rulers or not. The Philippine Government does not consider said Article, therefore, as overriding the existing immunities from judicial processes guaranteed certain public officials by the Constitution of the Philippines.

“3. With reference to Article VI and IX of the Constitution, the Philippine Government takes the position that nothing contained in the said Article shall be construed as depriving Philippine courts of jurisdiction over all cases of genocide committed within Philippine territory save only in those cases where the Philippine Government consents to have the decision of the Philippine courts reviewed by either of the international tribunals referred to in said Articles. With further reference to Article IX of the Convention, the Philippine Government does not consider said Article to extend the concept of State responsibility beyond that recognized by the generally accepted principles of international law.”

PROCLAMATION NO. 294

**AUTHORIZING THE ELKS CEREBRAL PALSY PROJECT, INC. TO CONDUCT A NATIONAL
EDUCATIONAL AND FUND CAMPAIGN DURING THE PERIOD FROM APRIL 20 TO MAY 31, 1956**

WHEREAS, some 1,400 babies are born yearly in the Philippines afflicted with cerebral palsy, a condition which impairs and causes complete loss of muscular control, rendering those afflicted with it unable to take care of themselves;

WHEREAS, unless these cerebral-palsied children are given proper occupational and physical, therapy, they are liable to grow up as cumbersome liabilities to society, but if accorded the necessary care, they can be improved to such a degree that their parents and the community in general may be completely relieved of the burden of attending to their needs and they themselves may even become valuable assets to the nation;

WHEREAS, there now exist a deplorable dearth of authoritative knowledge concerning the nature and treatment of cerebral palsy and an equally lamentable lack of facilities for the rehabilitation of cerebral-palsied patients, the only existing clinic available being a mere portion of a corridor in the National Orthopedic Hospital;

WHEREAS, it is therefore evident that there is an urgent need for an intensive and extensive two-pronged campaign to educate the people on various aspects of cerebral palsy with a view to minimizing, if not totally eliminating, its deleterious effects, and to raise funds for the construction of a cerebral palsy clinic and the purchase of adequate medicine for the treatment of those afflicted with it;

WHEREAS, the Elks Cerebral Palsy Project, Inc. has initiated such a campaign and should be lauded for undertaking the selfless task of sponsoring a drive to help unfortunate cerebral palsied individuals, in which campaign it is fully deserving of the support of the government and the entire nation;

NOW, THEREFORE, I, Ramon Magsaysay, President of the Philippines, by virtue of the authority vested in me by law, do hereby authorize the Elks Cerebral Palsy Project Inc., to conduct a national educational and fund campaign during the period from April 20 to May 31, 1956. I call upon all citizens and residents of the Philippines, irrespective of race or creed, to support this humanitarian campaign by giving generously of their means to alleviate the miserable plight of these unfortunate individuals afflicted with cerebral palsy.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the Republic of the Philippines to be affixed.
